

1 SCHEME OF CHARGES

The scheme has been divided into two groups – small and light RPAS as group one, and large RPAS as group two. Group two has further been divided into two subgroups – Fixed Wing and Rotary. Due to the wide ranging weight classifications of large RPAS, the large RPAS have been divided into three broad weight classifications.

1.1 Fixed Wing

From 7kg to 500kg - Group A

From 501kg to 2499kg - Group B

From 2500kg to 5699kg - Group C

From 5700kg and above, the charges levied will be as manned aviation.

1.2 Rotary Wing

From 7kg to 500kg - Group A

From 501kg to 1499kg - Group B

From 1500kg to 3174kg - Group C

From 3175kg and above, the charges levied will be as manned aviation.

Table 3 of Appendix 1 breaks down the charges for the various items. All charges are in US dollars.
