

## 1 SCHEME OF CHARGES

The scheme has been divided into two groups – small and light RPAS as group one, and large RPAS as group two. Group two has further been divided into two subgroups – Fixed Wing and Rotary. Due to the wide ranging weight classifications of large RPAS, the large RPAS have been divided into three broad weight classifications.

### 1.1 Fixed Wing

From 7kg to 500kg - Group A

From 501kg to 2499kg - Group B

From 2500kg to 5699kg - Group C

From 5700kg and above, the charges levied will be as manned aviation.

### 1.2 Rotary Wing

From 7kg to 500kg - Group A

From 501kg to 1499kg - Group B

From 1500kg to 3174kg - Group C

From 3175kg and above, the charges levied will be as manned aviation.

The Tables below break down the charges for the various items. All charges are in US dollars.
